

Calling all photographers and bird enthusiasts!

We encourage you to share your bird photos with us in a slide show to be presented at our year-end party. You'll receive a photo credit during the show, as well as the admiration of your fellow members. You may recall we created a show similar to this at our holiday party a few years ago and it was a hit, so it's time to shine again! The photo submission deadline is May 1st, but due to expected high volume, please feel free to submit your images as soon as possible!

Here are the simple photo submission guidelines:

1. Submission deadline is May 1st, 2018.
2. Photos of Florida birds and/or wildlife only please. Limit 8 photos per person.
3. Images will be accepted in JPEG format only.
4. Because images will be presented on a large screen, please avoid cropping or compressing your photo. Our experienced photo editor will format only as needed for the show depending on your photo orientation and size.
5. If possible, your image should be at least 1080 pixels on the longest side.
6. Send all images to: photos@stjohnsaudubon.com
7. Remember to include the bird species and your name with your email.

If you have any questions or are experiencing difficulty sharing your image, send an email to photos@stjohnsaudubon.com and our photo editor will get back to you.

Thanks for sharing your images with St Johns County Audubon, and we look forward to seeing you at our end-of-season party!
