

Join Us!

Become a member of a community of people who care about nature and support the work of Audubon across America and around the world.

Your initial \$20 membership provides you the following privileges:

- Annual subscriptions to Audubon, National Audubon's flagship publication, and Audubon Florida's Florida Naturalist
- The SJCA newsletter
- Access to the nationwide network of 455 Audubon chapters
- Opportunities to participate in Audubon conservation campaigns
- Information on Audubon Centers' workshops and ecology camps
- Special offers on Audubon-licensed products

Join online at:

www.stjohnsaudubon.com

or

Complete and mail the application on the other side of this page.

Our Mission

St. Johns County Audubon promotes the protection, preservation, and restoration of the habitats of birds and other wildlife through education, stewardship and conservation science-based advocacy.

Please Help Us Help!

Contributions of any amount help us help the birds and other wildlife in our beautiful St. Johns County. To contribute, please see this brochure, or our webpage:

www.stjohnsaudubon.com

Does Your Employer Match Contributions?

Many companies offer a matching gift program to encourage philanthropy among their employees. Gifts from employees' spouses and retirees may also qualify for a match. Please contact your employer today and contribute to us:

**St. Johns County Audubon Society
Chapter (E15)
P.O. Box 600634
Jacksonville, FL 32260**

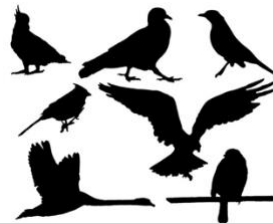

St. Johns County Audubon is a 501(c)(3) organization.
